

*An update from the Dennis Conservation Land Trust*

*At times like these, it's good to remember our resilience and the soothing power of our natural environment. The DCLT mission is to preserve and protect special places in Dennis for all to access and enjoy. We manage over 620 acres of open space in town – and we encourage you to take time for a walk, a run, or to simply enjoy time outdoors.*

- **DCLT CURRENT EVENTS**

**We have decided to reschedule our programs planned through the end of the month.** Please check our website ([www.dennisconservationlandtrust.org](http://www.dennisconservationlandtrust.org)) for updated information. We'll also post on Facebook and via e-mail as possible.

You'll see additional notices in the coming weeks based on the latest COVID-19 information. Our staff will be monitoring recommendations from the Town of Dennis, Massachusetts Department of Health, and the national Centers for Disease Control. Please feel free to contact the DCLT directly with any questions you may have (508.694.7812, or [info@dennisconservationlandtrust.org](mailto:info@dennisconservationlandtrust.org))

- **DCLT OFFICE**

**We will continue to have regular office hours** Monday, Thursday, and Friday from 8 AM to 5 PM, and every other Wednesday. We're taking precautions to protect our staff, our volunteers, members, and the public.

Internally, we're increasing measures to ensure our organization's physical space is equipped with additional cleaning products, and that staff are provided with information to keep themselves and their families safe and healthy.

*We wish you all the best of health during this time of concern, and look forward to seeing you in the outdoors on one of our trails soon!*

Julie Early  
Executive Director
