## Updates from the Dennis Conservation Land Trust

### *Upcoming Events*

---

#### Visit our New StoryWalk® in West Dennis!

Bring the special kiddos in your life to enjoy our new StoryWalk at Swan River Overlook, 12 Swan River Road, in West Dennis, now through the end of April. The book is **Ibis: A True Whale Story** by John Himmelman (Scholastic Books), and tells the true tale of the first whale disentanglement from the lucky whale's point of view. The reading age is ~6 and up, and the trail is short and flat, making for a quick and easy walk. Park just off the road, but please don't block the entire sidewalk. Enjoy!

Can't make it? [Click here](#) to buy the book for a special kid in your life. Sales benefit our friends at the **Provincetown Center for Coastal Studies**.

The StoryWalk® Project was created by Anne Ferguson of Montpelier, VT and developed in collaboration with the Kellogg-Hubbard Library. StoryWalk® is a registered service mark owned by Ms. Ferguson.

## Walk with Us!

Join DCLT staff for casual walks at conservation areas across town. Explore, observe, and mingle with us!

**Tuesday, April 12th at 10 AM**

**Coles Pond at Crowes Pasture Conservation Area, East Dennis**

Join us for our first walk this Spring at the Town's beautiful Crowes Pasture Conservation Area. This walk will take us up and down hills, past wetlands, and to an overlook of Coles Pond. We'll keep an eye out for blooming plants, recent avian arrivals, and signs of vernal pool and other wildlife. Just a few spots left!

[Click for info / to register!](#)

## Lunch and Learn!

Tune in to a brief lunchtime webinar focused on nature and conservation, with ample time for questions.

**Tuesday, April 19th at noon**

**Native Backyards: Naturalizing your Garden with Natives**

Mary Barry, Master Gardener

Tune in to learn the what and why of planting natives in your garden from Cape Cod Master Gardener Mary Barry. Mary will tell us all about gardening with local natives: where to start, what to expect, and what plants to choose. Bring your questions!

***Did you know...***

*... Spring is around the corner!?*

Daffodils are a staple on Cape Cod - the flower that comes back year after year, just like summer visitors! Being one of the first perennial plants to bloom, they are a good indicator that Spring is on the way! Seen throughout the Cape and elsewhere it's hard to tell whether these plants are native or not. **What do YOU think?**

---

I think Daffodils are...

Native
