Updates from the DCLT

DCLT is Hiring! TerraCorps

TerraCorps is an AmeriCorps affiliated start-up environmental non-profit preparing and mobilizing emerging leaders to help communities gain access to and conserve land for people and nature. Working at the intersection of the land conservation and urban agriculture movements, our vision is to create a future where land is the foundation of health and well-being for ALL people in EVERY community.

This year's TerraCorps program will support up to 60 full-time AmeriCorps Members across Massachusetts and Rhode Island each serving in one of five positions: Land Stewardship Coordinator (LSC), Land Conservation Coordinator (LCC), Community Engagement Coordinator (CEC), Youth Education Coordinator (YEC), or Sustainable Agriculture Coordinator (SAC). Members will serve in full-time, 11-month terms (August 29th, 2022-July 28, 2023) in which they complete at least 1,700 hours of service with one of our partner organizations. Members receive a living allowance, education award, and additional AmeriCorps benefits (see full list at end of announcement).

The Dennis Conservation Land Trust will host a TerraCorps Land Stewardship Coordinator for the 2022-2023 service year. Information about this TerraCorps position is available at <https://terracorps.org/>.

Briefly, the DCLT TerraCorps position - Land Stewardship Coordinator will be

- Coordinating volunteer stewardship projects including training and overseeing our high school students, college interns, and local volunteer stewards in caring for DCLT lands and waters.
- Assisting with monitoring DCLT properties (plants, wildlife and water quality).
- Involved with land conservation mission of the organization.

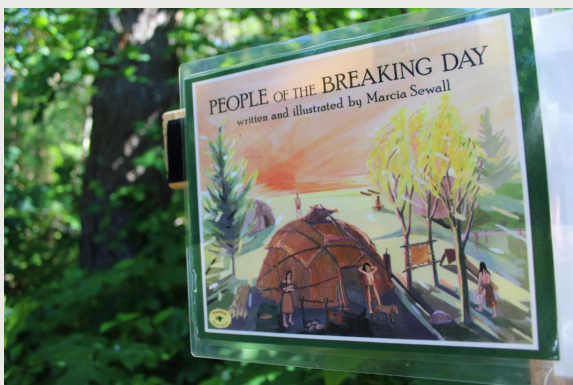

If you have strong background in natural sciences, interest in working outdoors in a variety of weather conditions are outgoing and have a can-do, team-player attitude, this position could be for YOU! Apply through TerraCorps and we look forward to hearing from you!

For information on the TerraCorps position at DCLT contact Dave Fryxell, Land Manager at dfryxell@dennisconservationlandtrust.org

Visit DCLT's Story Walk!

Now through July

Sesuit Neck Trail

89 Sesuit Neck Road, Dennis

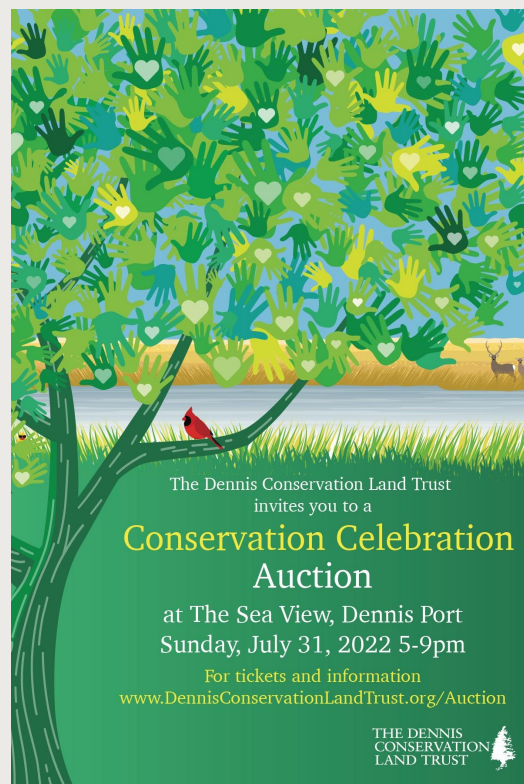

For K-12 youth and adults.

Walk the short loop trail (1/4 mile) along Sesuit Marsh and read the beautifully illustrated and informative book, People of the Breaking Day by Marcia Sewall (ages 6+). The book describes the Wampanoag Tribe's current and historic connection with the natural world of Cape Cod. Please park with care on the roadside, and enjoy the natural setting and memorable story!

Did you know...

Bear Oak

Quercus ilicifolia or Bear Oak is one of many oaks found on Cape Cod. It is a small shrub or tree that grows no taller than 25 or so feet in height. It has leathery leaves and its name comes from the fact that wildlife such as bears enjoy its nutritious acorns as a nice snack.
