Updates from the DCLT

Holiday Giving Made Simple and Impactful

Special perks for first-time members!

This holiday season, give the gift that keeps on giving: membership with the DCLT!

DCLT membership supports our permanent land-saving mission, as well as our programs aimed at training the next generation of local environmental stewards.

Now through December 22nd, all first-time members receive a DCLT window sticker, and will be entered into drawings to win a DCLT hat or t-shirt!

Get Outside!

StoryWalk at Old Fort Field

Now through December 15th

Solstice walk at Chapin Beach

Wednesday, Dec. 21st at 3 PM

Bring the little ones (or language learners!) to our latest StoryWalk!

Am I Small? follows Tamia on an adventure through nature as she asks that question to a variety of colorful, wonderful animals.

The bilingual book (English & Portuguese) can be viewed at DCLT's Old Fort Field, 105 New Boston Road in Dennis Village.

[Click for parking directions](#)

Join DCLT staff to celebrate one of Earth's annual inflection points, when longer days are on the way!

We'll park at the Chapin Beach lot, and then walk along the beach and out into the flats. Dress for cool weather and sandy, wet substrate.

Space is limited to 15 participants. Reserve your spot today!

In case you missed it...

Read DCLT's Fall Newsletter!

You'll hear recent updates and learn how our initiatives have expanded over the past six months!

This newsletter's theme is *Connections*, those which link our lands, fresh waters, seas, and selves together as one.

Contributors include the DCLT Board, staff, interns, and volunteers, as well as a guest article written by Owen Nichols, Director of Marine Fisheries Research at the Provincetown Center for Coastal Studies.
